

Get Ready Safety Video

The Los Altos Hills County Fire District, in cooperation with the County of San Mateo is making an important safety video available to residents. Get Ready Los Altos Hills County Fire District is a 6 part DVD video featuring simple steps that residents can take to prepare their homes and families in the event a disaster strikes our community.

Now, LAHCFD is making this video available in an online format. We recommend that residents take 30 minutes to review the materials and follow the simple steps that it recommends. You may view the video here:
