Mrs. Jeanne Evilsizer
Clerk of LAHCFD
Los Altos Hills County Fire District
P.O.Box 1766
Los Altos, Calif. 94023-1766

Dear Mrs. Jeanne Evilsizer,

I am interested in being appointed to the Fire District Commission as a representative of the unincorporated area of Los Altos. I have talked with Owen Halliday and Stuart Farwell about this opportunity.

Our family moved to Los Altos in 1952. I went to Mountain View High School and graduated in 1956, then attended Stanford University graduating in 1960 with a BA in Biology, and a MA in 1962. After this, I obtained my Ph.D. in Zoology at the University of North Carolina, Chapel Hill in 1967, with a special emphasis in marine biology. Since family members have occupied the house continually, Los Altos was always my home base.

I returned to California in 1967 to teach marine biology/ecology at San Diego State University for 34 years. After retirement, I moved back to the family home in 2001. Since that time I have been a volunteer at Castro School for 8 years in 3 programs working with K-5 students: Literacy in the Classroom, Literacy in the Garden, and Yes Reading/Reading Partners.

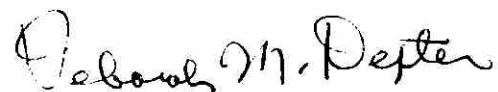

I first became CERT certified in 2006 in the city of Los Altos, and was active for a year or more, until the program was disbanded. In 2010, I became a CERT member in the LAHCFD. I have been very active in this program ever since.

I am also familiar with some of the programs offered by the LAHFD, especially the chipping program and the Yard Waste Program both of which I have used frequently.

The major skills I would bring to this commission would be a rational approach to any problems, an ability to communicate ideas clearly, and the commitment to listen to others.

If any further information is needed, please let me know.

Sincerely,

Deborah M. Dexter (Debbie)
948-8594

Jeanne Evilsizer

Subject: Volunteer for open seat on Los Altos Hills County Fire District Board for unincorporated area

Hi Jeanne,

I am interested in serving on the LAH County Fire District Board. Owen Halliday approached me and suggested I consider the open seat on the Board from the unincorporated area. I am a long-time friend and neighbor of Owen Halliday and I know David Bergman, who lives right around the corner. My house is at 11690 Magdalena Avenue, on the corner of Spalding Avenue. If you'd like, I can send you a brief biography with my work and community background.

Dear Jeanne,

As I've mentioned to you and Owen Halliday, I am interested in serving on the LAH County Fire District Board. Owen Halliday approached me and suggested I consider the open seat on the Board from the unincorporated area. I am a long-time friend and neighbor of Owen and I know David Bergman, who lives right around the corner. My house is at 11690 Magdalena Avenue, on the corner of Spalding Avenue. I have volunteered for a number of organizations, including the El Camino YMCA as a parent-coach and fundraiser, the Los Altos school district as a music docent and parent volunteer, the Mountain View High School as a parent supporter for sports, the music department and the Freestyle Academy, and I am currently a volunteer puppy raiser for Guide Dogs for the Blind. I hope you and the LAH Fire District Board consider and select me for the open seat to represent the unincorporated area.

Re: Lette of Interest Board Vacancy

Dear LAH Fire District,

This letter is to express my interest in serving on the LAH Fire District Board. I currently reside in the unincorporated area of Los Altos Hills District and I am currently serve as a Fire Battalion Chief with a local fire department within Santa Clara County.

I have nearly 30 years of fire service experience. I sincerely believe my knowlege and experience could possibly benefit the board and community members.

If you have any questions, please do not hesitate to contact me at 415-806-4515 or c4scab@aol.com.

Best regards,

Melvin Vaughn ,
