

3.d.

To: Los Altos Hills County Fire District
From: Michael Sanders, ESC
Subject: Pop up Tents for ARK area.

I am asking for the LAHCFD Board to approve the purchase of (3) new 10' x 10' pop up tents and (2) 10' x 20' pop up tents. The new for the 10' x 10' tents will allow our CERT members in the event of a disaster the opportunity to be under shelter from rain, sun or any other elements that may arise during such an event. These tents will be equipped with sides for privacy and to keep out the elements while working on computers or other jobs as may be assigned. The 10' x 20' tent will be set up in the event we need to house our CERT members for sleeping purposes and for cover in the medical area. These will also have sides on them for privacy.

Currently we have 4 tents in storage at the ARK. We have assigned certain jobs at the ARK which will require our CERT members to be outside for quite some time. One of the tents will have our Logo and LAHCFD CERT imprinted on it, this tent will be used at Public events throughout the year.

I am asking for the board to approve these items at the next LAHCFD Board meeting.

Cost for the new tents will be approximately \$1635.97 plus tax and shipping.

(3) 10' x 10' tents with zipper sidewalls @ 239.99 = \$719.97

(2) 10' x 20' tents @ \$299.00 = \$598.00

3 packages of sidewalls for 10' x 20' tents @ 44.00 each = \$132.00

(3) Banners with LAHCFD.org with logo @ 32.00 ea = \$96.00

(2) Customized imprints on tents @ 45 ea = \$90.00

Attached are pictures of the tents.

Thanks for your continued support to our CERT programs.
