**Subject:** September E314 Activity report.

Jeanne,

E314 patrolled daily and performed access and equipment checks routinely.

They also:

- 9/1- attended a task force readiness drill @ Foothills Park.
  - 9/4- Aided in a smoke investigation Call #247-43
  - 9/7- Attended the Public Event held at the West Wind Barn.
  - 9/9 Were assigned to the Morgan incident (fire)
  - 9/10 Ran an EMS- Charlie response and conducted Gate lock checks and service.
  - 9/15 responded to a hazardous materials response Call# 258-32
  - 9/18 Map updates and bridge survey in los Trancos Woods area.
  - 9/19 Call 262-24 cyclist down on Page Mill Road.
  - 9/21 participated in a Large animal and technical rope rescue drill.
  - 9/22 Call # 265-45 outside smoke investigation. Call # 265-28 Residential Fire Alarm sounding.
  - 9/23 Mapped fire access to Oak Park Circle/ bridge/ and Eastbrook Road access for map updates.
  - 9/24 Outside Gas Investigation - PG&E had to clamp off gas line Call # 267-43
  - 9/28 E314 assisted with the CERT Program and Open House At El Monte Station for over 150 people.
  - 9/30 covered El Monte until Back fill could be made while R14 was in Palo Alto on a structure fire Move-up.
- Also responded to Fire scene at Esberge Road and Mora Drive to Investigate cause and origin.

During the Patrols many citizen contacts were made and questions answered, hydrants cleared, fire trail access maintenance conducted, and map upgrades were done. Gates at Basset Lane and Summit wood Road had access restored to residents in addition to numerous other small tasks.

Sincerely Captain Matt Maxson.
